If you are living in a two-parent household (including if your biological parents are no longer together and your custodial parent is remarried), please include the combined values for both parents in the household. If you are living in a one-parent household please provide the value for only your custodial parent.

*Non-retirement investments include trust funds, UGMA and UTMA accounts, money market funds, mutual funds, certificates of deposit (CDs), stocks, stock options, bonds, other securities, installment and land sale contracts (including mortgages held), commodities, etc. Include qualified educational benefits or education savings accounts (529 plans). Do not include your home or retirement plans (401k, non-education IRAs, etc.). Investment debt means only those debts that are related to the investments.

*Business/farm value includes the market value of land, buildings, machinery, equipment, inventories, etc. Business debt means only the present mortgage and related debts for which the business was used as collateral. Farm value includes the fair market value of land, buildings, machinery, equipment, livestock, unharvested crops, etc. Do not include the value of your family's primary residence. Farm debt means only the present mortgage and related debts for which the farm was used as collateral.
