OPTIONS TO MAKE IT EASY

Shipping

Need helping getting your items to campus? Collegeboxes can help ship your boxes and luggage from home so it arrives before move-in. When the year is over, Collegeboxes can then store your items over the summer or ship them back home. For storage and shipping, check out Collegesboxes [here](#).

Refridgerator/Microwave Units

Need a fridge or microwave for your room? Go ahead and rent a MicroFridge. Before you move in, your MicroFridge will be delivered right to your room, saving you the hassle of transporting the unit. At the end of year, once you have moved out, the MicroFridge unit will be picked back up. Roommates often choose to share a MicroFridge to save space and money. MicroFridge unites can be rented [online](#).
